Sir,

SUB – Allowing exemption to AIC as a 'crop insurer' as an additional category to the existing tie-ups of 'General' and 'Composite' categories of Corporate agents

This is with reference to your representation dated 18<sup>th</sup> April, 2020 seeking relaxation from Regulation 3 of IRDAI (Registration of Corporate Agents) Regulations, 2015 which allows for a composite corporate agent to tie-up with a maximum of three life, three general and three health insurers. The Authority, upon consideration, has agreed to your request and hereby allows Agriculture Insurance Company of India Limited to act as an additional 'crop insurance company' with corporate agents that have received certificate of registration under 'General' and 'Composite' categories.

This has the approval of competent Authority.

Yours faithfully,

T S Naik  
General Manager
