Re: Tender No. – Tender/BPL/CLM/2019/1

Page 4 & 5, Point IV c of Section 6 and point V. c (ILA) may be read as “Around 30 seconds video (at least 640 by 480 resolution) with GPS tag (latitude & longitude up to 6 to 8 decimals each) of the experimental plot with close ups of the plants, produce (if visible), moving in most of the rows of the plot. Around half a minute during the conduct of cutting/picking.”

Page 6, Last paragraph of Section 6 (scope of work) may be read as “AIC does not warranty any CCE Co-observing above the minimum 1000. However, actual number of CCEs to be Co-observed in the State may be higher. And AIC does not warranty any or number of losses that would be assessed in the cluster allotted to the agency. Although, if ILA intimations from a single NFA crosses count of 200, assessment has to be done on sample basis. Sample size would be 10% of the intimations received. Count and identification for this purpose would be taken on the date of intimation of ILA to the agency for 2 consecutive days. Count of surveys thus arrived, has to be conducted into five locations in that NFA, at the four corners and at the center of the NFA. Equal number of assessments would be carried out at each of these five locations.”

Page 12, Section 24, point V may be read as “In case of Individual Loss Assessment, 25% of the base rate will be paid for subsequent loss assessment in the same village on same day. If the count of intimation for same village on same day is within 20, its assessment has to be done within same day. Count and identification for this purpose would be taken on the date of intimation of ILA to the agency.”

Page 17, Proforma for Financial Bid may be read as “RATE (Rates exclusive of all applicable taxes)
