Dear AICians,

The theme for Vigilance Awareness Week 2022 is “**भ्रष्टाचार मुक्त भारत- विकसित भारत; Corruption free India for a developed Nation**”. VAW 2022 begins on 31st October to coincide with the birth anniversary of Bharat Ratna Sardar Vallabhbhai Patel, who worked tirelessly to take our country to the forefront of nations.

A corruption free India is an ideal that is imperative for propelling the country into the league of developed nation. VAW presents an occasion to reaffirm our faith in the principles laid down by the founding fathers of our country by taking the Integrity Pledge.

As public servants, we should also spearhead the efforts in eradication of corruption by encouraging more and more citizens to take the Integrity Pledge and dedicate themselves to the epitome of a corruption free India.

As a precursor to the VAW 2022, Central Vigilance Commission has also desired that Preventive Vigilance cum Internal Housekeeping activities be taken up as focus areas under a three-month campaign leading up to VAW and then on a continuous basis throughout the year. Active participation of every employee is necessary to achieve the desired outcome.

E-Governance, systemic improvements, simplification of procedures, minimizing discretion and maximizing digitization will go a long way in reducing corruption.

I further take this opportunity to encourage you to individually and collectively participate in prevention of corruption and to promote integrity and transparency in all spheres of life.

Best Wishes.

(ASHOK KUMAR GUPTA)
